

MUHAMMAD AWAIS

Executive – Procurement & Supply Chain

📍 Islamabad, Pakistan  Muhammad Awais

PROFESSIONAL SUMMARY

Results-driven Procurement & Supply Chain professional with 5+ years of progressive experience in end-to-end procurement, vendor management, RFQ/RFP management, and international logistics. Proven track record in supplier sourcing for Amazon e-commerce operations, commercial comparisons, contract follow-ups, and ERP-based procurement workflows. Skilled in vendor onboarding, customer relationship management, and coordinating cross-functional procurement activities. Adept at leveraging project management and CRM tools including Jira and Zoho to streamline operations, maintain vendor partnerships, and drive cost efficiencies across diverse supply chain environments.

PROFESSIONAL EXPERIENCE

Sourcing & Procurement Executive

Oct 2025 – Present

Dabos — Islamabad

- Lead end-to-end procurement operations including drafting and managing RFQs, RFPs, and Purchase Orders (POs) across marketing and operational categories.
- Manage vendor coordination and onboarding processes, conducting due diligence, evaluating supplier capabilities, and maintaining an approved vendor database.
- Conduct commercial comparisons and cost analyses to identify the most competitive sourcing options and present recommendations to management.
- Coordinate contract follow-ups and ensure timely execution of procurement agreements, tracking milestones and deliverables in Jira.
- Process and manage EAF (Expenditure Approval Forms) in compliance with internal procurement policies and approval workflows.
- Utilize Jira for procurement task tracking, workflow management, and cross-departmental collaboration, ensuring transparent visibility across sourcing projects.
- Support ERP integration initiatives and procurement digitization efforts, contributing to process improvements aligned with Oracle/Dynamics D365 best practices.
- Liaise with finance, legal, and operations teams to ensure alignment on procurement timelines, budget adherence, and compliance requirements.

Sourcing & Procurement Officer

Feb 2024 – Oct 2025

Leverify — Islamabad

- Managed sourcing and procurement operations for Amazon e-commerce supply chains, coordinating end-to-end supplier engagement from RFQ to purchase order fulfillment.
- Coordinated with a diverse network of vendors and clients across multiple product categories, ensuring timely procurement, delivery, and resolution of supply-side issues.
- Maintained and strengthened customer relationships by proactively addressing inquiries, resolving order discrepancies, and ensuring a seamless procurement experience.
- Utilized Jira to manage procurement tasks, track vendor milestones, monitor order pipelines, and ensure cross-team visibility on sourcing progress and bottlenecks.
- Leveraged Zoho CRM to manage client and vendor communication logs, track relationship history, and streamline follow-up workflows for active procurement deals.
- Collaborated with the Amazon operations team to align inventory replenishment schedules with FBA warehouse requirements and avoid stockout events.
- Prepared and maintained procurement documentation including POs, vendor agreements, and sourcing reports to support audit readiness and compliance.

Sourcing & Supply Chain Specialist
Zork Technologies (Pvt) Limited — Islamabad

Dec 2022 – Jan 2024

- Managed end-to-end procurement operations including drafting Purchase Orders (POs), tracking shipments, and coordinating with freight forwarders.
- Handled international logistics operations (primarily USA-based suppliers) to ensure timely delivery of goods to Amazon FBA warehouses.
- Negotiated competitive pricing, Minimum Order Quantities (MOQs), and payment terms with distributors to maximize profit margins.
- Conducted RFQ processes and extensive supplier research to establish partnerships with vetted wholesale distributors and brand owners.
- Maintained supplier performance records and coordinated vendor onboarding activities for new sourcing partners.
- Ensured timely delivery and compliance with agreed terms.

Sourcing & Supply Chain Manager
Hosterlink.com — Islamabad

Nov 2021 – Nov 2022

- Managed end-to-end sourcing and supply chain operations for Amazon e-commerce, overseeing supplier identification, product evaluation, and procurement execution across multiple categories.
- Identified and evaluated potential products for FBA wholesale supply chains using market data, competitor analysis, and demand forecasting to prioritize high-margin opportunities.
- Executed brand hunting strategies to secure direct-from-manufacturer and wholesale sourcing partnerships, expanding the approved supplier network.
- Coordinated with vendors and freight forwarders to ensure timely shipment of goods to Amazon FBA warehouses, resolving logistics issues proactively.
- Utilized Jira to manage sourcing pipelines, track supplier onboarding tasks, assign team responsibilities, and monitor procurement milestones across concurrent projects.
- Maintained accurate procurement records including POs, supplier agreements, and shipment documentation to ensure compliance and traceability.
- Collaborated with operations and inventory teams to align sourcing timelines with stock replenishment needs and prevent supply disruptions.
